Talk

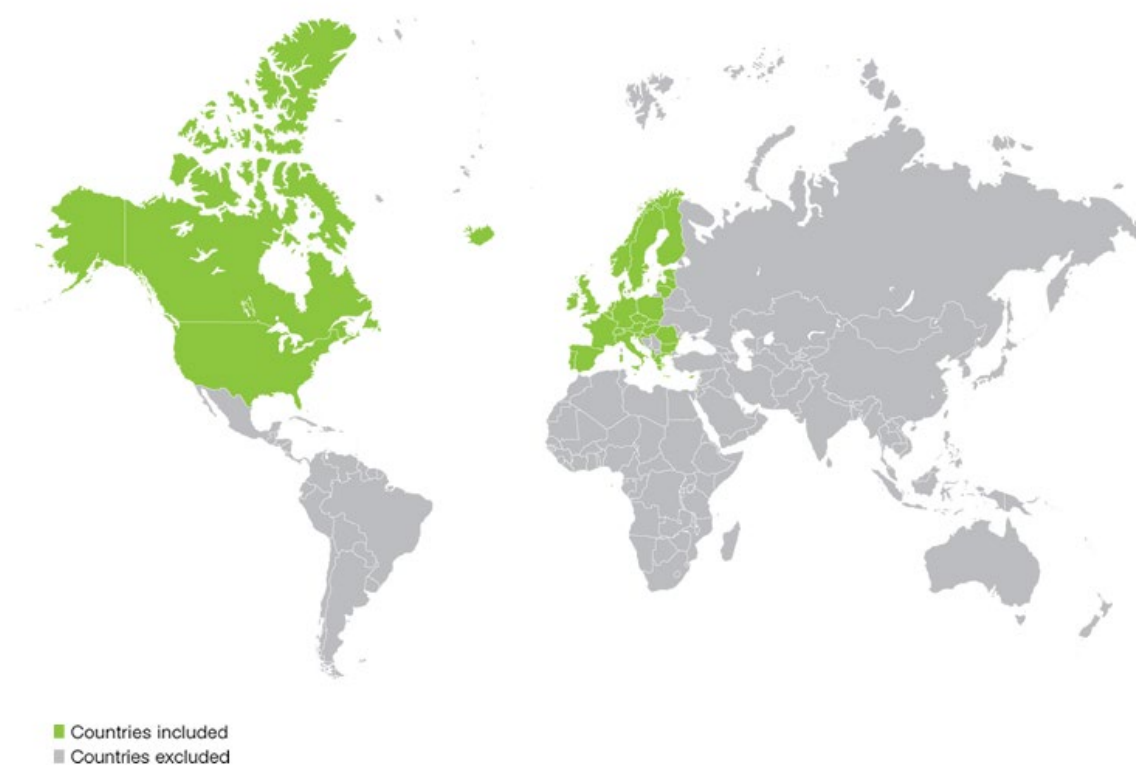

Details	
Phone numbers included	1
Cost (Only possible with Internet subscription)	free of charge

- Free “IP Call” app for iOS and Android. This applets you make phone calls while on the go just as if you were at home. To do so, you need a data plan through your mobile provider or a WLAN connection.
- Affordable domestic and international rates
- Free calls to other green.ch phone numbers
- Keep an existing number or select a new one
- Top-Stop: Protects your phone number against fraud, hacker attacks and excessively high bills
- No additional activation fee
- Optional flat rate, carefree calling at a fixed price (see next page)
- Optional fax-to-mail service that lets you send and receive fax messages via e-mail
- Billing 2-monthly
